DRYLINETM FOR EQUINE

HEALTHY BEDDING ADDITIVE FOR HORSE STALLS

ODOUR
REDUCING

HIGHLY
ABSORBENT

NON TOXIC

Create healthy stall environments
by reducing bacteria, ammonia
and moisture.

DrylineTM for Equine can be used as part of a regular process to
keep horse stalls clean and disease free, and is also highly effective
in larger doses when more moisture or bacteria are present.

FEATURES:

- Contains eucalyptus oil -
repel flies naturally
- Absorbs up to 199% of it's
weight in moisture
- Reduces odour for a safer
environment in stalls,
trailers and floats

Dryline™ for Equine keeps stalls clean and disease free by reducing bacteria, ammonia and moisture in bedding.

Dryline™ for Equine benefits:

- A bedding additive for horses and other livestock
- Absorbs up to 199% of its weight in moisture
- Reduces odour for a safer environment in stalls, trailers and floats

*For fresh, dry and disease free
stallion barns, yearling barns and
vet areas, Waikato Stud use
Dryline™ for Equine*

USAGE

Spread 200 – 400g per stall/stable.

Dryline™ for Equine can be used as part of a regular process to keep horse stalls clean and disease free, and is also highly effective in larger doses when more moisture or bacteria are present.
